PAUL DAVIS FENCING ACADEMY CALENDAR GUIDE

Where a fencer is eligible for multiple events, the Pathway Manager will be in touch with recommendations based on fencer trajectory and qualification needs. If your fencer is unable to attend a nominated event, please let Bryn know so that it can be taken into account for competition qualification. This is particularly important for fencers aspiring towards England U14 or British U17/U20/Senior selections.

For all domestic competition entries, the following process will be followed:

Competition Entry Process for Academy Fencers:

1. Competition invites, information, and ticket links are sent by the Pathway Manager via both email and the Squad WhatsApp groups six weeks before the entry deadline. Reminders will be sent two weeks and one week before the deadline.
2. Event tickets are purchased, and fencers are entered by the Academy -unless otherwise informed, please do not enter directly via Sport80 or the LPJS website.
3. The week before the event, final information regarding arrival time and any equipment arrangements will be sent via email and the WhatsApp groups.
